A NEW DEAL IN ROSES.

We want to see more of the better varieties of roses planted in Portland and vicinity.

To assist you in making your choice we have compiled this carefully selected list of reliable and desirable varieties which we are offering at very low prices.

The past few years have given us all a better appreciation of our homes and gardens, and you have doubtless observed that last winter damaged many rose bushes beyond recovery. Such should be replaced and this list will indicate many others that you should have.

Here is your opportunity to rebuild your rose garden at a low cost, with the best grown stock and fine varieties.
